

Department of Social Services Mission Statement

The mission of the California Department of Social Services is to serve, aid and protect needy and vulnerable children and adults in ways that strengthen and preserve families, encourage personal responsibility and foster independence.

The Community Care Licensing Division will be hosting a Stakeholder meeting on Friday, October 28, 2011. The purpose of the meeting is to provide stakeholders with the history of Key Indicator Systems, research and practices. The meeting will be a collaborative effort between the Community Care Licensing Division, The Institute for Social Research at Sacramento State University and the National Association for Regulatory Administration. Community Care Licensing Division, our partners and stakeholders are committed to strengthening health and safety protections for those in care. This educational meeting will level set our understanding of Key Indicator Systems and their application in Community Care Licensing.

Presenters will include:

Dr. Richard Fiene is an Associate Professor of Human Development and Family Studies in the College of Health and Human Development and the Capital College at the Pennsylvania State University. He was also the Director of the Division of Licensing Systems & Research in the Office of Licensing and Regulatory Management, Pennsylvania Department of Public Welfare.

Jana Martella is the Executive Director of both the National Association of Early Childhood Specialists in State Departments of Education and the National Association for Regulatory Administration.

The meeting logistics are:
